

**Phillip M. Knighton**  
**1942 -**

Mr. Knighton is a fourth generation Geologist, descendent of Jesse Starr McPherson. He holds a BA and MA in Geology from Wichita State University. He has served as geologist for various oil and gas companies as well as State and Federal Agencies. Mr. Knighton combines geology consulting with legal practice with emphasis in oil and gas regulatory matters, contracts, filings, compliance and general litigation. He recommends well sites and participates in development.
