

**Jerry E. Shawver**  
**1929 – 1984**

Starting in the 1960s, under Mr. Shawver's management, the Stelbar Oil Corporation, Inc., founded by his father, E. B. Shawver in 1928, expanded greatly to include Colorado, Louisiana, Montana, Oklahoma, Texas and Wyoming. This is on top of successful drilling in the Butler and Cowley County areas in Kansas.
