

Robert V. Struebing

1919 - 2015

Born in Winfield, Kansas in 1919, Mr. Struebing started his career at the Skelly Oil Refinery in El Dorado in 1949 after receiving a degree in chemical engineering from the University of Nebraska following his military service in World War II. By the early 1970s he had worked his way up to the position of Refinery Manager, and by the time of his retirement in 1985 he was Vice President of Manufacturing for Getty Oil and the senior executive responsible for all of Getty's refineries in the United States.

Mr. Struebing was an accomplished executive, highly respected and admired for his personal discipline and sense of responsibility, as well as his compassion for those who worked for and with him.
